About me

I am a Software Engineering student with strong interest and dedication in the areas of Artificial Intelligence, Data Science, and Software Development. I am constantly seeking to expand and deepen my knowledge, combining theory and practice to develop innovative solutions.

Education

Bachelor's Degree in Software Engineering

UniAnchieta – Start date: 2nd semester, 2025

Technical Degree in Electroelectronics

SENAI – Completed

Work Experience

Electrical Assistant – In-Haus Industrial, GPS Group

March/2025 – November/2025

I worked as a key member of the building electrical maintenance team at Magazine Luiza's CD-300 Distribution Center, ensuring the reliability and continuous operation of the facilities. My responsibilities ranged from installations and repairs in low-voltage systems to the assembly of control and power circuits for small machines.

Certifications

Microsoft Azure AI Fundamentals (AI-900) – Microsoft Corporation, Inc.

Microsoft Azure Data Fundamentals (DP-900) – Microsoft Corporation, Inc.

Internet of Things WEGnology – WEG S.A.

Skills

Programming Languages: Python, Java, C

Software Development: Object-Oriented Programming (OOP)

Artificial Intelligence: Machine Learning, Deep Learning

Databases: SQL Server

Operating Systems: Windows, Linux

Tools & Technologies: Power BI, Microsoft Excel, Microsoft PowerPoint, Internet of Things (IoT)

Languages

Portuguese: Native

English: Intermediate
